

2024 Valley STEM Internship - Student Application

Menomonee Valley Partners, Inc. is seeking high school sophomore, juniors and seniors who aspire to have careers in the engineering/architectural/construction fields for a unique STEM Internship opportunity.

Students selected to participate in this 7-week internship program will do a weekly/bi-weekly rotation amongst engineering firms, architectural firms, and/or manufacturing companies to gain a broad overview of high-profile roles through job shadowing, site visits and special projects.

The Valley STEM Internship offers interns the room to explore new paths while providing a unique hands-on learning experience through job shadowing and special projects.
